O R D E R :

Government in the reference 1<sup>st</sup> read above, granted Mining Lease for Dolomite & White Shale over an extent of 8.80 acres in Sy. Nos. 142/1, 2, 3, 4 & 61 of Kolumulapalli (V), Bethamcherla (M), Kurnool District in favour of Sri Ala Venkata Ramana for a period of (20) years and the Assistant Director of Mines & Geology, Kurnool has executed the lease on 30.01.1998.

2. The Director of Mines & Geology, Hyderabad in the reference 2<sup>nd</sup> read above has reported that the lessee did not fulfill the following conditions and submitted proposals for lapsing of the above said mine held by Sri Ala Venkata Ramana under rule 28(1) of Mineral Concession Rules, 1960 for consideration of the Government:

- a) The lessee is not operating the mine from 24.01.2000.
- b) The leaseholder is in arrears of Royalty for an amount of Rs. 10686 and interest of Rs. 7751/-

3. Government after considering the report of the Director of Mines & Geology, Hyderabad, it was proposed to lapse the above mining lease held by Sri Ala Venkata Ramana and accordingly, a show cause notice was issued in the reference 3<sup>rd</sup> read above under rule 28 (1) of Mineral Concession Rules, 1960 as to why the Mining Lease held by him shall not be declared as lapsed, and submit his explanation/ representation within 15 days failing which it will be construed that he has no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee.
